

JOHN BOWMAN

Worship Him

There is a sweetness and purity of a single vocal and guitar together. John Bowman's voice reflects true worship in his new all acoustic, solo release.

Bowman, who is recognized in the traditional Gospel world first as a member of the legendary Bluegrass outfit Doyle Lawson and Quicksilver and later as a standout member of The Isaacs, shines all on his own on this stripped-down release.

The songs move from the quick-rolling cross picking style of "God's Not Dead" to the soothing lullaby style of "In My Father's Eyes" to the story ballad "I Love My Friends." Each track is delivered with sincerity and unwavering faith. It gives the feel of simple worship, of solitude and joy. Through these ten songs, their message and delivery, Bowman invites you to join and Worship Him.
